

## DISABILITY SUPPORT WORKER PROGRAM

### ABOUT THE PROGRAM

In this program, you'll get the skills and training you need to be a Disability Support Worker.

The program is **full time for 7 weeks**. It will be **delivered online** by Cerebral Palsy Alliance (RTO No. 90213). At the end, we will help you prepare for a **guaranteed interview with an employer**.

**You'll get the skills & training you need to get a job.**

#### TECHNICAL SKILLS

You will learn essential skills such as workplace health and safety, providing individual support and first aid.

#### BEHAVIOUR AND MINDSET LESSONS

These lessons will help you tackle problems, work effectively in teams and communicate in the workplace.

#### EMPLOYMENT ESSENTIALS

We will help you prepare for employment with workshops on CV writing and interview preparation.

#### MENTORSHIP AND SUPPORT

We have a dedicated mentor to help support you throughout the program and into your new career.

**NEXT COHORT STARTS**  
**30th August 2022**

#### WHAT IS A DISABILITY SUPPORT WORKER ?

As a Disability Support Worker, you will provide support for people living with disability to thrive in their daily lives and support them to achieve their goals.

This may include supporting people with disability to engage and participate in their community as well as providing personalised in-home support. It's not always easy, but it is one of the most rewarding jobs out there.
